HONORING MAJOR MELISSA
DUNLOW

HON. BRAD ASHFORD

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 10, 2015

Mr. ASHFORD. Mr. Speaker, I rise today to recognize Mrs. Melissa Dunlow for her 25 years of service in the United States Air Force Reserves, seventeen of which were served on active duty. Mrs. Dunlow grew up in Wisconsin Rapids, Wisconsin. She had an interest in traveling and although she had the desire to attend college, it was not financially feasible. In her senior year of high school, Mrs. Dunlow entered the delayed enlistment program, and subsequently active duty with the United States Air Force. Mrs. Dunlow was first assigned to Tinker AFB in Oklahoma as an Air Transportation Specialist; which primarily meant manual labor of loading cargo and passengers onto military aircraft. Mrs. Dunlow applied for and was approved to cross-train into the paralegal career field where she could perform administrative work. During the four and a half years Mrs. Dunlow served as a paralegal, she took college classes at night and on Saturdays to complete her bachelor's degree. She then applied for a commission and attended Officer Training School about three weeks after her college graduation. Mrs. Dunlow's first assignment as a Second Lieutenant was to Offutt AFB in Bellevue, Nebraska, in 2003. While stationed there, she met her future husband, Neil who was also stationed at Offutt. Mrs. Dunlow applied for a ROTC teaching position at University of North Carolina—Chapel Hill. The couple married in June 2006 and Mrs. Dunlow was assigned to Chapel Hill the next month. However, her husband Neil remained at Offutt to fulfill his duty requirement. During their separation, Mr. Dunlow came to realize that the Bellevue/Papillion area was where he wanted to start an orthodontic practice as well as a family. Together, they decided to separate from active duty and make a life in Nebraska. Mrs. Dunlow returned to the area in a civil service position in Human Resources at STRATCOM while Mr. Dunlow opened a small orthodontic practice in Bellevue. Mrs. Dunlow joined the Air Force Reserves as a Liaison Officer to the Civil Air Patrol. After "buying in" her active duty time and completing the minimum required time in civil service, Mrs. Dunlow left her position with STRATCOM in September 2012 in order to spend time at home with their

two children who are now 6 and 4. Currently, Mrs. Dunlow spends days at home with their youngest daughter and works part-time at the orthodontic office as an office manager. Only time will tell what Mrs. Dunlow will do once their youngest daughter is in school full-time, maybe she will utilize her Master's degree, or perhaps she will strike out a new career after using the remaining two years of her GI bill to complete another degree. Mr. Speaker it is with great pleasure that I recognize Mrs. Melissa Dunlow for her 25 years of military service. What a truly inspiring career she has had and will continue to have. Her hard work and tenacity are commendable. Mrs. Dunlow represents a real American hero through her commitment and solidarity to her brothers and sisters in arms.

HONORING FOUR MEN FOR THEIR
LIFE SAVING EFFORTS

HON. CHRIS COLLINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 10, 2015

Mr. COLLINS of New York. Mr. Speaker, I would like to take a moment to recognize four individuals from the Finger Lake Region on the eve of the one year anniversary of their heroic actions.

On February 11, 2014, an employee at American Rock Salt, located in New York's 27th district, collapsed after suffering severe chest pain. Through the swift actions of four men; Colin Keller, Gary Morrison, Michael Smith, and John Ayer, that individual is still alive and well. The group utilized an artificial external defibrillator and CPR skills learned through the Red Cross's Safety training to successfully resuscitate their colleague.

For their life-saving actions, Colin, Gary and Michael will be presented with Certificates of Merit signed by President Obama and John will receive a Certificate of Extraordinary Personal Action.

The Certificate of Merit is the highest award given by the American Red Cross to an individual or team of individuals who saves or sustains a life by using skills and knowledge learned in an American Red Cross Health and Safety Services course.

The Certificate of Extraordinary Personal Action is awarded to individuals who save or sustain a life by action that exemplifies the mission of Preparedness and Health and Safety Services.

I want to thank Colin, Gary, Michael, and John for their life saving efforts and congratulate them on earning these prestigious honors.

RECOGNIZING CONGENITAL HEART
DEFECT AWARENESS WEEK

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 10, 2015

Mr. LONG. Mr. Speaker, I rise today to recognize congenital heart defect Awareness Week, which is February 7th through 14th, 2015.

Each year approximately 40,000 babies are born right here in the United States with congenital heart defects. That is an astounding one in every 125 babies, making this the most common birth defect.

Most newborn infants are not routinely screened for congenital heart defects, causing many children to suffer or even perish early in life. However, if the defects are detected and treated early in life, they can be treated successfully. In the past quarter century, treatments have been developed enabling 500,000 children in the U.S. to survive to adulthood.

Congenital Heart Defect Awareness Week serves to raise awareness about this condition.
